

Okada Manila Leads the Way with Entertainment City's First Electric Vehicle Charging Station

MANILA, 3 April 2025 – [Okada Manila](#), the country's premier integrated resort, a six-time Forbes 5-Star awardee, and a recipient of the Forbes VERIFIED Responsible Hospitality badge, takes a bold step toward sustainable innovation by introducing the first-ever electric vehicle (EV) charging station in Entertainment City. This initiative underscores the resort's commitment to eco-friendly hospitality while catering to the growing number of EV users in the country.

PRESS RELEASE

Conveniently located at the Lower Ground Floor Parking near the VIP and valet drop-off area, the charging station is designed to provide a seamless experience for guests. The unit features two Type 2 charging sockets with a power output of 22 kWh. On average, an EV can be charged from 50% to 100% in approximately two hours. Currently, the charging station is exclusively available through Okada Manila's Valet service, ensuring a hassle-free experience as valet personnel facilitate the entire process.

Reward Circle cardholders under the Maharlika, Supreme, and Okada Club tiers enjoy complimentary charging.

Okada Manila not only enhances guest convenience but also takes a proactive role in shaping the future of sustainable travel.

Okada Green Heart: Driving Sustainability Forward

The installation of an EV charging station is part of Okada Green Heart, the resort's sustainability initiative, aligning with its Energy Efficiency pillar. This pillar focuses on integrating smart systems, renewable energy solutions, and advanced technologies to reduce the resort's carbon footprint. By encouraging the adoption
